Digital Press Operator (Night shift)

This is a fantastic opportunity on our night shift for an experienced individual to join a litho & digital printing company with a reputation for both quality and service.

It would appeal to an experienced individual looking to do a variety of tasks within a busy and long-established Company. This is a varied role and you will work closely with the Head of Digital to ensure all jobs and projects are despatched on time and meet SLA's. You will be working to ensure 100% accuracy is always maintained.

We are looking for a hard-working individual who can offer flexibility and commitment. This highly motivated individual will need to display a professional approach to their work and have a genuine 'can do' attitude towards their responsibilities.

The ability to work to tight deadlines and prioritize the workload to achieve maximum output would be critical.

we're hiring. ■
